

"It does not matter if it has been years, or even decades, since your last Confession.

It does not matter if you have been away from the Church for some time.

It does not matter if you have forgotten how to go to Confession.

It does not matter if you have a particularly grave sin to confess." - Archbishop Dennis M. Schnurr

Encounter the Peace of Christ is a time to experience God's love and mercy. Plan to attend at a Church near you next week.
